

How our Dental Recognition Program Works.

At Dr. David Hayes Family Dentistry, we recognize your dental needs!

Our **Dental Recognition** (DR) Program provides affordable dental care at the highest quality to those without dental insurance.

Once a New Patient Exam is completed, regular dental visits can be scheduled at our **DR Program** rate. At the Adult New Patient Exam, the health of the gums will be diagnosed and the proper dental treatment will be proposed. Please note that only patients with a healthy mouth qualify for a regular dental cleaning.

If additional dental treatment is needed, then patients receive the **DR Program** rate, as listed, or **20% OFF** any additional dental treatment that is not listed for one full year after the date that you sign up for the **DR Program**.
